NOTICE TO ALL CONSULTING ENGINEERING FIRMS -- SOLICITATION NUMBER S-183-17

COUNTRY CLUB RD. CORRIDOR PROJECT IN SPARTANBURG CO.

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests a letter of interest and a current resume of qualifications from all interested consulting firms experienced in providing complete engineering services necessary for the preparation of preliminary road and bridge plans, environmental studies and documentation, right of way plans, and final construction plans for roadways and bridges in South Carolina. The Country Club Road Corridor is a proposed multimodal transportation improvement project between the Mary Black Rail Trail west of Union Street and S-30 (Clifton Glendale Road) and Whitestone Glendale Road and the Glendale Pedestrian Bridge. The project consists of Operational improvements, including Intersection improvements and facilities for non-motorized users for approximately 3.3 miles on Country Club Road (S-47) from the Mary Black Rail Trail west of Union Street to Glendale Shoals east of Clifton Glendale Road (S-30); NEPA studies including traffic analyses will determine the logical termini and preferred alternative for non-motorized users along the corridor, and may result in new location construction or improvements to existing facilities or some combination of both. Should the traffic analysis result in a recommendation of extending the termini of the project, SCDOT will consider the recommendation and reserves the right to modify the termini if it is deemed to be in the best interest of the State of South Carolina.

Requested services include but are not limited to: project management, surveys and mapping, traffic analyses, alternatives analyses and cost estimating, environmental studies/documentation/permitting, subsurface utilities engineering, utility coordination/plans, geotechnical services, pipe inspections, drainage design, roadway design/plans, bridge/structure design/plans, right of way phase support services, and construction phase support services. The project team should be capable of providing all services outlined above.

RFP information associated with this solicitation is located at the following link:

http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting_Services.aspx#tabs-5.

For questions, please contact the SCDOT Contracting Officers (CO), Wendy Hollingsworth, at 803-737-0746 or via email at Hollingswg@scdot.org. Electronic submissions are due no later than 2:00pm, October 11, 2016.

NOTICE TO ALL CONSULTING ENGINEERING FIRMS -- SOLICITATION NUMBER: S-184-17**CE&I SERVICES FOR THE INTERSTATE 85 RECONSTRUCTION AND WIDENING PROJECT****FROM MM 77 TO MM 98**

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests a letter of interest and a current resume of qualifications from all interested consulting firms experienced in performing Construction Engineering and Inspection (CE&I) Services. The services are requested for the Interstate 85 Reconstruction and Widening Project from MM 77 to MM 98, which includes approximately 3 miles of interstate reconstruction and 18 miles of interstate reconstruction and widening from four total travel lanes to six. Multiple interstate bridges and ramps will also be reconstructed to bring the interstate to current design standards. The Intelligent Transportation System (ITS) along I-85 will also be reconstructed and improved. A full scope of work and other project information is available in the Request for Proposals for the design-build contract, available on the SCDOT website at this link: <http://www.scdot.org/doing/I85WideningMM77-98.aspx>. These services may include but not be limited to the services to perform construction management, construction engineering, construction survey verification, assurance and acceptance inspection and testing in the areas of concrete, earthwork, drainage and base, erosion control, traffic control, and asphalt roadway to determine compliance with the contract requirements. The CE&I contract for this project has an established Disadvantage Business Enterprises (DBE) goal of five percent (5%) of the Contract price.

The SCDOT will select one Project Team to provide these services. Consultants will be evaluated and ranked based on their score during the selection process.

RFP information associated with this solicitation is located at the following link:

http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting_Services.aspx#tabs-5

For questions, please contact the SCDOT Contracting Officers (CO), Wendy Hollingsworth, at 803-737-0746 or via email at Hollingswg@scdot.org. Electronic Submissions are due no later than 2:00pm, October 4, 2016.

CITY OF ROCK HILL, SOUTH CAROLINA -- PUR785

REQUEST FOR PROPOSALS FOR HUEY ROAD SUBSTATION CONSTRUCTION

WHEREAS, The City of Rock Hill, Rock Hill, South Carolina, Owner, wishes to contract with an independent contractor for the furnishing of all materials, equipment, labor and supervision necessary to provide the services outlined in Exhibit A and B which are attached hereto and made a part hereof for site construction for substation located on property owned by the City of Rock Hill with a physical address of 748 Huey Road, Rock Hill, South Carolina, and

WHEREAS, The City seeks a contractor whose staff is experienced and well qualified to provide the work required in this RFP in a professional, timely manner, and

WHEREAS, The City requires the contractor to provide the aforesaid services pursuant to the terms and conditions contained herein,

NOW, THEREFORE, The City of Rock Hill is soliciting proposals from qualified contractors to provide the equipment and to perform the work as described herein. Sealed proposals will be received on or before 2:00pm, September 27, 2016, in the Purchasing Conference Room located at 757 South Anderson Road, Building 103, Rock Hill, South Carolina 29730, Attn: Tom Stanford, at which time and place the proposals will be publicly opened and read.

Prior to the bid opening the City and Engineer have scheduled a mandatory pre-bid meeting at the construction site, 748 Huey Road, Rock Hill, South Carolina, on September 15, 2016, at 10:00am. Any Contractor submitting a proposal for this project must have a representative at this meeting. Representatives must sign in.

Proposals and all supporting documents required to be attached thereto must be submitted in triplicate in a sealed envelope within the time allowed and addressed to the City of Rock Hill, South Carolina, at the above address. The name and address of the Bidder, and the date and hour of the receipt of bids must appear on the outside of the envelope in which the proposal is submitted. Proposals shall also be marked "Sealed Bid for Huey Road Substation Construction". Bidders will be required to comply with all applicable statutes, regulations, licensing requirements, and those requirements as provided in the Contract Documents.

Download complete solicitation and drawings at: www.cityofrockhill.com.

SCBO Notices

PRE-SOLICITATION NOTICE OF INTENT TO DISPOSE OF THREE STATE BUILDINGS AND PROCURE ALTERNATE SPACE FOR THE CURRENT TENANTS

Project: To sell state-owned property located at 1401 Senate Street, 1429 Senate Street and 2221 Devine Street in Columbia, South Carolina, and procure alternate space to relocate the current tenants.

Solicitation Number: TBD

Project Description: Based on the recommendations contained in the Comprehensive Real Property Evaluation, Strategic Planning and Implementation Report prepared for the South Carolina Department of Administration (Admin) by CBRE, the State will be issuing a Request for Proposals to sell state-owned property located at 1401 Senate Street, 1429 Senate Street and 2221 Devine Street in Columbia, South Carolina, and to procure alternate space to relocate the current tenants.

A RFP is being developed and the specifications will provide an opportunity to bid on purchasing any or all of the buildings and land and/or providing alternate space for any or all of the current tenants. Options for providing alternate space will allow for a range of options including, but not limited to, market lease, market purchase, and build to suit on either state owned or private land. The disposition of the properties and acquisition of new space will be broadly marketed to allow all interested parties the opportunity to respond.

Admin anticipates issuing the RFP in the fall of 2016. The State encourages competition and seeks qualified respondents. Therefore, if you would like to be notified when the RFP is issued, please provide your contact information via email to Jason Evans, Procurement Director for Admin, at Jason.Evans@admin.sc.gov. Please use the subject line "State Building Disposals and Tenant Relocation RFP."

SC COUNCIL OF ENGINEERING AND SURVEYING SOCIETIES

The SC Council of Engineering and Surveying Societies is requesting applications for two seats on the SC State Board of Registration for Professional Engineers and Surveyors.

Application Deadline October 15, 2016.

Governor Nikki Haley has the opportunity to appoint two qualified Professional Engineers to the SC State Board of Registration for Professional Engineers and Land Surveyors beginning January 1, 2017.

Each engineering and surveying member of the Registration Board must be a citizen of the United States and a resident of South Carolina, must be licensed in this state, must have been engaged in the practice of engineering or surveying in this state for at least twelve (12) years, and must have been in responsible charge of important engineering or surveying work for at least five (5) years. Responsible charge of teaching engineering may be construed as responsible charge of engineering work. The primary responsibility of board members is to protect the health, safety and welfare of the public of South Carolina.

The SC Council of Engineering and Surveying Societies is charged, by law, to make recommendations to the Governor from which she must appoint engineers and surveyors to the Registration Board.

The SC Council of Engineering and Surveying Societies is accepting letters of application from Professional Engineers who meet the state's minimum requirements that wish to be considered for the Registration Board position.

The deadline for submitting applications with the SC Council of Engineering and Surveying Societies is Saturday, October 15, 2016. Interviews for the two open positions will be conducted on October 25, 2016 in Columbia, SC.

The term for this appointment is for a five-year term which extends through January 1, 2022.

The following information should accompany the letter of interest in the form of a resume: education and collegiate achievements, engineering/surveying achievements, professional and technical society activities, civic and humanitarian activities, continuing competence, professional experience, general personal data, and references. You may wish to visit the SC State Board of Registration for Professional Engineers & Surveyors website for insight in Board members' responsibilities: <http://www.llr.state.sc.us/POL/Engineers/>.

Applications with the above information may be submitted by hardcopy or electronically. Applications should be submitted to the SC Council of Engineering and Surveying Societies, c/o Jones, McAden & Associates, PO Box 11937, Columbia, SC 29211-1937 or admin@jma-associations.com. Questions call 803-771-4271.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
